Yummy cat food

I just had a bunch of cat food this morning. Treats too.

It was tasty!

vader

Our new housemate eats a lot. He's cutting into my food. He's a nice guy though. Tigress hates him. I can live with that.

Father's Day

I'm so nervous about fathers day. Its hard for cats to buy gifts! My humans forget to give me money and other humans freak out when I go into stores! I need to get Tigress to rub me.

Daddy might have fixed friends entries. I can read all of his friends posts now. Of course I could just watch him type them anyway. Its about time he worked on just journal. He always spends time on Midnight's thing. I'm more important!

Midnight thinks he's cool with his MidnightBSD. I've been the spokescat for Just Journal this whole time! I'm the coolest cat here! Everyone loves me. I look just like garfield but with an even better fur color! I wish people would pay more attention to me!

Strange events

Today is Monday and Daddy went to work but Mommy didn't. Daddy told me Mommy "graduated" or something.

Myself and the other cats found out that we may be moving to Ann Arbor! Daddy and Mommy said there's less snow there, and more human food (people don't eat meat, only cats do).

It was nice having Mommy around though. She told me that I am handsome! I think she's waiting for something though. I don't know what she's waiting for. She also went through some of the boxes and cleaned a little bit. Mommy also got upset at the .NET.

Well I am getting a bit hungry, time for more food.

Daddy's acting weird

Daddy's listening to strange music again. I really don't know why. I had a big lunch today and I've been sleeping on the bed all day. I got a lot done. I might look for kitten's ass later.

Food.

My humans fed me very late last night. I didn't get to enjoy my meal because I was starving! The handful of treats wasn't enough to hold me over. I have to catch up to that 33 pound cat! I have a long way to go at 17 pounds.

Love day

Today humans celebrate love. I would like to post a list of things that I love!

1. Food
2. Midnight & Tigress
3. My mommy and daddy
4. Food
5. Sleep
6. Humping
7. Food

I have heard that I have some international fans! Please send me samples of your country's food. Plus the International House of Pancakes does not allow cats to dine in.

Puke!

Midnight puked everywhere yesterday. He even puked on tigress. Dad got angry because he puked on the bed and his coat! Puke! Puke! Puke!

I almost lost my appetite.

I've been sleeping and eating as usual. Tigress watched me hump daddy's blanket and slapped me in the face when i was really going... honk!

Why doesn't everyone let me eat, sleep and hump in peace.

Good news is that daddy is working on a gray design for just journal. It will be gray like me. :)

Official Mascot Update

I thought I would give all of you an official JJ mascot update.

I have been well, and have been receiving tasty food. The other cats are behaving and are not at all jealous of my mascot status.

By the way you need to buy JJ products. Every product you buy will mean I get more salmon.

So what if Caryn couldn't go back to sleep!

Caryn took issue with the fact that I woke her up this morning. Look, Midnight caused her to clean the litterbox and I took advantage of the nice clean litterbox. Plus, how often will she clean the litterbox at 3 am? Really, how often does she clean my litterbox...
