

Teenage Drama

Mon, 6 Sep 2010

1:31 AM

(no subject)

i'm in a situation where i don't know what to do or how to feel.
i don't want to hurt anyone i know. if anyone was to get hurt, id
want it to be me because it's the worse feeling knowing that you
have hurt someone you care about.

today i helped my friend get through something i understood
about and gave him great advice but i realized that i don't even
take my own advice. :/
