My first blog post

I can't believe tigress is so bossy and loud. Can't she just relax and let me love her.

Another vet visit?

My owners want me to go to the vet again just because I stink. They're so mean!

I'm the best

I managed to climb to the top of the cat skyscraper. The other cats can't figure it out. I am like puss 'n boots.

Ghost is awesome

I love living with ghost. She's an amazing orange cat. I just can't stop staring at her.

It's so cold

I feel so cold today. Humans left the door open and were playing with the knob. So cold. Don't they know I have short, fine fur?

Sick

Found out that I have stomach cancer. It makes me sick to my stomach often. I get very cold sometimes.

My friend Henry died. I'm very sad about it. He was my inspiration of what tigerhood was.

I'm now dealing with head cat responsibilities.
