### Trust in God

Lord, I ask you to take my fears and doubts and give me peace as I head to Columbia. Lord let me be a strength to those in need. Let me witness to those who would desire to seek you. Lord give my heart peace as I continue to build my trust in you. Lord I am filled with doubt as I seek employment elsewhere. Turn my doubt into confidence and let me be a beacon. Most of all Lord, thank you for the opportunity to interview and if it is your will, accept whatever position you bring my way. Lord you know the condition of my heart, my fears and weaknesses. Mold me and guide me Lord. Thank you. AMEN!
