## Aladdin's Wishes slot machine review

Have

you read books about a brave and cunning Aladdin boy who discovered a magic lamp and made friends with an omnipotent Genie? Have you seen a beautiful cartoon by Walt Disney based on this old Arabian tale? If yes, then you will certainly appreciate

an

Aladdin's

Wishes slot machine offered at some

US online casinos for

you.

On

the reels of Aladdin's Wishes

online slot

machine you will meet all your favourite heroes from the tale of Aladdin and recognizable objects. Aladdin himself acts as a substitute symbol, however it appears on reels two, three and four only. The only symbol that Aladdin cannot replace is a scatter symbol of a Magic Lamp. If one or more Aladdin symbols help you to complete a winning combination, then you will enjoy a doubled payout.

Princess

Jasmine is a beautiful lady who captured the heart of Aladdin. If you get one symbol of Princess at least, you receive a certain payout. However, if you are lucky enough to get 5 identical symbols on the active payline, then you receive a generous payout of five thousand coins!

A

green Genie is the second symbol on the criterion of payouts. Two Genie symbols pay 2 coins, three symbols- 50 coins, four symbols- 150 coins and five symbols- 100 coins respectively. Among other symbols of Aladdin's Wishes slot machine online are Monkey, Palace, Magic Carpet, Sacks of Gold, Bracelet, Vases with fruits and so on.

## Aladdin's

Wishes feature is triggered when three or more scattered Magic Lamps symbols occur on the reels from left to right. You may either win some free spins or receive a money prize up to 1000 of the triggering bet.

## Enjoy
