It has been aptly said that diamonds are a girl's best friend but these days it has become a unisexual craze and it is being revered by both men and women alike. This precious stone which is reckoned as the master of all the precious stones and one of the hardest substances on earth has something mysterious about it that attracts all towards its charisma. It is the only stone that is available in natural colors and shades from within the earth's crust. The immense hard work and perseverance that goes into carving and beautifying the dull stone into a magnificent piece is a marvel on its own and this makes it priceless!

## Gem

Dynasty in Los Angeles is one of the premier distributor of wholesale diamonds which deals with all kinds of diamonds which are available in all shapes and sizes which can be used for a wide range of purposes right from engagement ceremonies to weddings and special birthday gifts, you have diamonds to suit all purposes.
