### What is a Family

**What is a Family**

A family are types of people you can look up to for anything and not be afraid to tell them secret's or even help with anything, well this journal goes on but im about to tell you about my family how since i was seven or six think how it all gt changed around.

MY FAMILY THE TIFFANY SAUCEDO STORY

Well lets start with this i was born in san angelo tx. in shannon medical center i was born on august the 19 of 1993. I couldnt believed it i was born yeeeahh!!!! im born as so i thought it was going to be fun well it was for only 4 years of my life i was like a princess with my dad i was so spoiled i couldnt believe it , i guess it was ok but once i turned six i think my dad went to jail i was so sad and, my 7th birthday comes i had to share with my brother thomas and i hated it i was sayng why couldnt i have my party on my own this is his second party but i had no choice i had to let him have a party onmy birthday an its been tat way for 10 years about to be 11 years what happened to me well lets see i get pushed around for that many years yeah i hated it oh ad yeah i feel like the world hates me no no no no itake that m family hates me because im not the perfect daughter, niece, or evn granddaughter i hate its because eitheir im to fat i to lazy why don't i work how cme i cando my own things im tired o i just wanna kill myself but wont because its not worth killing my gods soul jus for a dumb thing oh and ys since i had to repeat the 8th gde because of my age i mt this awsome girl and her name is gabby she is my bestfriend now and im glad she because if it wasn't for her i really dont know what i do i probably be lost by now but im not and now church every wensday and sometimes sundays if im no asleep but my life has change i could say but not my family i feel they only use me to help them but yeah i always pray but i don't know hopefully he hears my prayer well go to go
