My Garden

Container gardening is my passion and one of many things i enjoy doing. There is a lot you can do with small spaces with container gardening. I live in a condo with 2 porches. One in front and the other in back so this is perfect for container gardens. There is so many things and whys that you can use containers in a garden. I will later come back and write about thosoes many things and whys of what you can do. Untill then Happy Gardening:)
