Rock On by Kid Rock

Tears on the pillow is all you leave behind. And
the only thing you know, this time. Is it's time to let
go. So put the key under the mat. And don't look
back, just...

Rock on, baby rock on. You ain't got nothing
loose, that ain't already gone. Cuz trapped in these
blues, ain't where you belong. So baby rock on.

Let the songs and static, fight for the dial.
Inside an addict's last passin' mile. Well I know it
ain't easy, but the wheel's in your hand. And who knows
where you'll land, so just...

Rock on, baby rock on. You ain't got nothing
loose, that ain't already gone.

And my the good Lord God bless you, and help you
along. Now baby rock on...

And baby don't stop, just...

Rock on, baby rock on. You ain't got nothing
loose, that ain't already gone.

I know your heart is black and blue, but life don't
last long.

Now baby rock on, baby rock on
