Tia is here

hi! i am tia and i live in new zealand. my friend becca from australia told me to come here, so here i am. so...things about me....hmm. i like living in new zealand, i guess. it's really, really pretty here and i love it a lot. i have a cat named kiwi and do you know why? usually, if you're from australia or new zealand, you're called a "kiwi". and that's why. i am visiting california this summer, and i am very excited. or should i say the summer for THEM, winter for US. we've got that same deal with the "winter being summer, summer being winter" weather thing. but it's not horrible. wow, this blog thing is cool! i am very excited to post something else, but i want to write a little more about me. hm...i like chocolate. it is so good. i mean, who doesn't like chocolate? i have long brown-blonde hair and green-hazel eyes...and i'm pretty tall, for a thirteen year old. well, i'm not exactly tall, i'm just medium height. whoops, gotta go!

see ya next time!

Luv, Tia :-)
