ehmagawd!!!! i am reeeeeeally freaking out because my entry from yesterday isn't here!!!! so thats kind of wierd but anyways, i will re-post the entry from yesterday xoxo Maddie

I AM REEEAAALLLY confused. Nawt because of any stupid math problem but boy problems.

Okay. I have a crush. He is ah-dorable!!!! And he may like me back but I'm nawt sure....and then, there's this other boy who's nawt my crush but he is hil-arious and makes me laugh no matter what. and i know he likes me because he asked around for my name, where i live, who my friends are...etc. and he probably knows cuz they r both in the same grade, two grades above me.

but i am reeeaaalllly confused, to fall for Mr. Hilarious or Mr. Crush??? I mean of course i'm crushing awn my crush, but these days im really nawt sure!!!! and what does it mean if im always thinking about mr. hilarious, then i say "noooo, you like the other one!" to myself so then i'll think about my crush. agggghhhh, puh-lease help!!!! this is nawt fun! i found out about this and im hoping people can answer my questions!

so if you have any advice for me or any comments, PUH-LEASE LEAVE ONE!!!

im beggin you!!! because none of my friends understand and theyre like "no u like ur crush u just gotta get the other one out of your mind" and i'm like "nooo that's nawt it! you don't get it!" and then they're like "whatevs. we've gawt bettter things to do". so if you can help, thanks, and i will nawt do that to you. :-) so pleeeeeease comment!!!!

xoxo, Maddie (who is hoping that this whole sitch will be figured out in no time!!!)
