hi! this is soooo cool...now i can have a blog/journal thing but its online...sweet. i love writing, but it's not like it's my major, major hobby...okay. hi. i'm maddie. i'm thirteen and i live in southern california. i am in seventh grade. i love the colors pink, blue, orange, yellow, lime green..okay, i'm into bright colors! i'm getting a puppy this summer-german shepherd. my bff's name is tay (ok, taylor, but she likes tay a lot better). so...anything else? i've always wanted to go to paris, australia, and tokyo. has anyone ever been to any of those places? i just found the coolest 2 websites: [www.ihasahotdog.com](http://www.ihasahotdog.com) and [www.ihasacheezburger.com](http://www.ihasacheezburger.com). i'm not going 2 say what they are but they're pretty funny. plus u can get the app (both of them) on your iPhone or iTouch. its cool! this is sweet. i should write every day. whoa. that could be a really long blog, though...yeah. so, whatev. bye!
