### Slow Layne's problema

this is really obnoxious of Slow. can't believe she's acting like this- - - here goes:

Slow Layne, Meana, and Wether-or-not-Heather are totally going against the Deck Out your Locker plan! really? i mean, it's not like we're trashing our lockers. only the LBRs are going to trash our locker. and it's not like Louis Vuitton, Hermes, Prada, Gucci, or Juicy trashes the lockers! Hello Kitty, Gap, and, no offense, kristen- - - Roxy- - - that just kills the "cool" in the locker. and Slow Layne's flipping out saying it's going to hurt Hello Kitty. and again- - - really? we're in 8th grade, not pre-school. and Meana and Wether-or-not have to lighten up...

so, everyone, i've got a plan!!! i'm going to hook up Slow's b/f ugly eli with a friend of mine- - - Skye Hamilton (OMGs here!!!!) i know she's gonna flip out, but i'm just going to tell her he needs a total cool guy makeover, and i'll tell Slow Layne + friends that he's really cheating on her and she can't talk 2 him cuz Skye says. so, is this great or what????!! tell me if it's good. :)

leave comments, plz, people!!!!

guess wat now? derrington is deciding to come back 2 me, on like 1 condition---if i'm NICE 2 faux-livia. NO WAY!!! i want derrington 2 come back 2 me tho, but i hate faux-livia, no offense, leesh, but she's so FAUX! that's y we call her faux, right?? anyways, the whole cam thing was a setup 2 make claire jealous, so...y can't we get back at faux? AND PEOPLE FROM OUTSIDE THE CLIQUE, i mean, others that aren't BIGREDHEAD, ROXYSURF, GUMMYFEET, MASSIEKUR (me), or HOLAGRRL are allowed 2 comment or read this stuff!!!! hello, we want ur opinions and stuff!!!

so...plan 2 fool derrington! but we don't hav the plan, so let's come up wit it!!!

faux-livia...buh-bye!!!
