### Making a Movie

Hey guys, just wanted to let ya'll know that me and my own are making a movie, which is an action/ suspense/ thriller. We are next door to Dallas, and we are currently casting. So if you are interested, please feel free to e mail me @ serenity\_brock@yahoo.com. We need as many people as we can possibly get, mostly guys, but we can fit a few more girls in, I think pretty confidently. So, let me know!
