6:38 AM

(no subject)

here is a lot to see  
when you visit Baltimore, Maryland. The more patriotic people can  
visit the Fort McHenry National Monument or the family can spend  
the day taking in a baseball game at Oriole Park. Baltimore is a  
port city, which means that there is always a lot of sea salt in  
the air. When you mix that together with the hot sun in the  
summertime
