Most popular slot machines of the last year

Slot

machines don't have any competitors in the online casino assortment. They are fun, easy to play and really interactive. Almost every day a new slot game is released into the world. Software providers do their best to keep players intrigued about all the innovations and brand-new features.

Last

year was really fruitful in terms of new and exciting slot games. In this post I am going to provide you with a list of the most exciting and popular slot games of 2010 that deserved to be called the best.

War

of the Worlds by WagerWorks deserves to be number 5 of our list. This game is based on the plot of a famous novel by Wells. Its animation surpasses all the expectations as well as payouts and bonus features. Thunderstruck II by Microgaming takes the higher position due to its multi-level free spins bonus feature and awesome audiovisual effects. This game was made available in all Microgaming internet casinos.

Return

of the Rudolph is the slot number 3 in our list of the best slot machines of 2010. It features three bonus games and an exciting Christmas theme. Available in all RTG online casinos. Pink Panther slot machine is the game number 2 available in all Playtech casinos. Recognizable tunes and great graphics make this slot machine stand out in the crowd for sure.

And

finally the top place is going to Lord of the Rings by Microgaming. All the fans of the trilogy of the same name will certainly appreciate movie clips that accompany every

spinning of the reels. Effect of complete involvement into the adventures of the Fellowship of the Ring is guaranteed!
