can't see you

well i can't see my boyfriend no more, cause of stuiped shit, and his mom said he can't see me either, even tho my mom lied to his. i donno, but i have beem crying all day cause i cant be with him, this is like the 3rd time to not be able to see each other and now we can't for realz. but i love him more then anything.

but i broke up with him today cause i think he can do better then be with me some one that will hurt him and get him in more trouble, i guess real love is the love to let some one go for ther best interests and not be selfish and keep them. and i guess it's best i let him go and not let him get cought in my drama wth my bitch of a mother.

better go

love you josh no matter what.

love ya
