3:17 PM

grrrr

well its another day havent been feelion well at  
all i have this cough that wont go away the med i am takin is  
makin me sick like before it goin to be along couple of  
months all the yellin and screamin is really gettin to me i  
so wish william would get over his ex but right now he needs  
a friend and that is me someone to talk to and make him smile  
and laugh which i can do that anytime last night i did more  
than that so yay for me grandmal is gettin on my nerves its  
like i can do anything right around here anymore like its nt  
good enough for her its like that old sayin no one can do it  
right except for u and i live that life everyday i have alot  
to say bout that but i wont cause it jus piisses me off my  
throat is so sore and raw from coughin its my fault that my  
grandmal is gettin sick but when u really think bout it its  
not now she is cayin that the freezer needs to be cleaned out  
but she wont do it neither will my uncle donnie it will be  
left up to me to do it like always she says and we r post to  
jump write to it yeah right not i kno that i am goin to be  
sick for awhile like i was before when i had the tumor well

ok

well i stayed tired all the time now my nose is fucked up  
to meds is doin it william has issues or something he now has a  
problem with me talkin to my ex chris when all we r is jus friends  
grr men i jus asked him if he would like me to stop talkin to him i  
wont but he doesnt need to kno that i faileed another test today

goin to have to retake it tony is thinkin of gettin us phones which ius cool cause the ones we have freeze like crazy n ow lol i really lioke william but he keeps pushin me away
