Intro

Hi! My name is Vader. I'm 10 years old, and recently my old owners decided I couldn't stay with them anymore. Fortunately for me, I have new owners who love cats! I am named after Darth Vader (because he's cool - duh). I am still learning about my new family which also includes 3 cats! I am very happy to have a new home. :)

I think that midnight and henry are respecting me, but tigress is still hissing all the time. I hate that. I feel trapped on the couch all day.

I wish Tigress was nicer to me and that Henry would stop trying to sniff my tail all the time. Otherwise, things are good. I like my new home a lot, and I really like my new family. They're very nice, and they spoil me a lot.
