today 10:30

Dear journal,

Today I woke up and ate a bowl of Smart Start Healthy Heart cereal. Then, my mom and I started looking through cake recipes. We are making a pie for Easter, a cake for us, and a cake for the Norris's. I made a list of what we didn't have, and then my mom took a shower. As she was doing that, I was cleaning the kitchen. Then Austin M. came over and took out the trash for me, and we hung out until my brother got home from the neighbor's house. My Gma came to watch Sean, Austin, and the baby, while my mom and I went to Collin Creek Mall to find Easter dresses. That was a bust, we found nothing! And if any of it was cute it either didn't fit, or it was too expensive. We both got a pair of shoes, though, so it wasn't a total loss. Then my mom and I went to the store and got the cake stuff, and we went home after that. I went to open gym tonight for the first time in three months, and everyone was like, where have you been, and of course I broke my collar bone, so that is why. I need to email kyndall, and I need to add her to my friend list on this journal thing. (which IS pretty cool)

Hidy Do!

Dear Journal,

It is 10:02 am on Sunday, as you can see above my subject. I ate a breakfast casserole this morning. I am watching the history channel right now, a show called "In the footsteps of Jesus". Pretty interesting. I gotta go organize the DVD closet, twenty bucks if I make sure all of the DVD's are in the right case---ooh la la!

Love and kisses, Sheely

Today

Hey, I just got back from the dentist's office about an hour ago. I had to get a cavity filled. It was really tiny though, so they didn't even have to numb it. I didn't feel a thing. It felt like a regular cleaning. Hold on, the Schawn's man is here! Ok, we got some pretty cool stuff! I am going to this thing at Lake Pointe, where I get to hang out with all of my peeps. AWESOME! Anyway, ttyl!
